Deliverables

Office of Violence Prevention

Community Engagement

CEC DM met with three mothers of young men and women involved with gangs and have been ceasefire clients. Meeting was three hours long and mothers agreed to be a positive example to the streets and high risk youth & young adults. The mothers adopted the name “Maverick Mothers” and DM will facilitate regular meetings and service & speaking opportunities. MM (Maverick Mothers) can be of a great benefit to strategic operations.

CEC DM held the 6th meeting with 15 area high school girls to discuss conflict resolution and violence prevention. Meetings are productive. Two girls are associated with possible gang.

CEC DM has met with female youth identified in being leader of issues at the mall. Meetings are ongoing. Youth has switched schools & raised grades. DM signed youth up for summer basketball league and youth will also participate with boxing program at McKinley. Youth vowed to put down gang life.

CEC DM has ongoing information sharing communication with LT Telly.

Office of Violence Prevention Community Engagement Cont.

DM and Supervisor Walden met & toured the McKinley Community center. DM spoke about holding OVP Role Model Mentoring training at center and later setting up programming for current girls program. Walden would also like a Peacekeeper to hold desk space in field. Planning is ongoing and will have more information at next Icap.

DM had the honor of Introducing LT Kathryn Nance & others at the “Women in Blue” event that was held April 25th. Chief Jones gave words of wisdom and closed out the program nicely. We should all be proud of the contributions we make serving within the Criminal Justice Field & LT Nance is a positive LE representative.
